

St. Therese of the Child Jesus Rose Novena Prayer

O Little Therese of the Child Jesus

Please pick for me a rose
from the heavenly garden
and send it to me
as a message of love.

O Little Flower of Jesus,
ask God to grant the favors
I now place with confidence
in your hands

(mention your request here)

St. Therese, help me to always believe
as you did, in God's great love for me,
so that I may imitate your "Little Way" each day.

AMEN.
